Toktrapport 03.09.2018, 01.01.2019–31.12.2019, Jnr. 18/12751

Cruise summary report RV Nereus 2019

Ship: RV Nereus, Call sign: SKTD
Type of ship: Research vessel

Cruise: 03.09.2018, 01.01.2019–31.12.2019, Jnr. 18/12751

Operating authority:
Tjärnö Marine Laboratory, Tjärnö, University of Gothenburg, Sweden

Owner: University of Gothenburg, Sweden

Name of master: Carl-Henrik Gustavsson

Scientist in charge: Ann Larsson

Principal investigators:
Ann Larsson
Vilhelm Fagerström

Cruise dates and activities:
2019-01-24: Failed attempt to deploy current meter due to strong currents.

Due to various reasons our activities during 2019 at the Tisler reef have been low. The 2020 report will be filled with much more activities.

Tjärnö 2020-06-30
Ann Larsson
