

Fig. 2: Overview of the station and cruise plan R/V HEINCKE cruise HE 554. The number of stations might be reduced due to bad weather conditions or due to intensified station work at dedicated stations. The research areas in the northern part (stations 1-14) and in the eastern part (stations 15-58) are a continuation of station work of Heincke HE-497, HE-507 and HE-532.
